E. H. POLLARD, Eso. The Scheme of a Local Bank for this Colony with Branches at the most important places in China, has been in contemplation for a very long period.

The local and foreign trade in Hongkong and at the open ports in China and Japan has increased so rapidwithin the last few years, that additional Banking The Banks now in China being only branches of Corporations whose head quarters are in Eng-land or India, and which were formed chiefly with the view of carrying on exchange operations between those countries and China, are scarcely in a position to deal satisfactorily with the loca trade which has become so much more extensive and varied than in former years. Banking Company will supply, and will in facassume the same position with relation to this Colony as the Presidency Banks in India, or the Banks of Australia in their respective localities.

This deficiency the Hongkong and Shangha The Establishment of a Mint in Hongkong roviding an adequate supply of proper currence will render a local Banking medium essential carry out its operations, and the almost certain disappearance of the existing Compradorio system. so far as money is concerned) will also ensure Banks becoming in course of time the exclusive medium for the transaction of the monotary ope rations connected with trade. ged for the purpose of carrying on the Banking For the anticipated success of this enterprise and Exchange business, in all its branches, in there are therefore ample grounds, and the great this city and with the interior of this State prosperity which has attended the working of

local body of Proprietors or Shareholders whose Board of Directors there for more effectually neet ing the work. As or oumstances render it advisable the Bank will establish Branches at other

We have sair in representation of the wind, it meeds no enough. The matter is in the bands of Ge from by the Meil Steamer. Containing all the intelligence or the ghost in tell his that the action of the false paral livy and he is better able to deal with the formight, whether Political, Commercial, Maritime or the ghost in tell his that the action of the false paral livy and he is better able to deal with near the formight, whether Political, Commercial, Maritime or the ghost in tell his that the action of the false paral livy and he is better able to deal with action of the false paral livy and he is better able to deal with the ports of China and Japan, as also from Manile.

Subscription—For the corpus of the containing all the intelligence or the false paral livy and he is better able to deal with the false paral livy and he is better able ghost in tell as that the action of the false | neral liny and he is better able to deal wit the point, we shall proceed to indicate how it beer wasin garrison here has been treated by may be practically illustrated. Let one of our local authorities. our readers embark in a centre board boat. and put hot on a wind. Whenever the cen-

tre board is let down, the craft will list over several strakes—and whenever it is bruled up she will come upright by as many strakes We have said that fall boats have a natu- HAMBURG, BREMEN, FIRE INSURANC ral tendency, when bauled on a wind, to go "to leaward from the side action of the wind THE I'ndersigned are now authorized to gene on their fabric. Yacht sailors may cavil at this dictum on the ground that all shere boute when un a wind have a propensity to grips prehended, and which starts a new theory Hongkong 23rd March 1801. All suiling vessels must have hollow lines in their bows near the fore foot, -atherwise they would be too buoyant forward and not have ling sufficient catch of the coming sen would sag to leeward. No pulling bont, nor steamer THE undersigned Agents at Hongkong an should have a hollow line in the bow. We know pared to grant Policica at; current rates, payable that they all have, but it is a great mistake. Lip London, Liverpool, Hongkong, Shanghai, Cal-

The smaller a salling craft may be, the more cutta, Bombays Madras, Singapore, and Me head sea being much less than that of a large authorised to issue Policies on our behalf at the bend sea being much less than that part mige port.

LYALL, STILL & Co. and must therefore be driven to lesward more: unless on additional comparative gripe provided. Thus it is that in yachts the hol- AMAUABLE INSURANTE OFFICE of a Yacht and mark her immersion on the stern and stern post; He must bear in midd of Hongkong, 8th Cotober, 1803.

that no matter how muchan malt lies over A 15 Persons intending to apply for Seamen's when sailing on a wind, the immersion of the Boarding Houte Licenses for the Year 1864.

Stern and stern post remains the same as the under Ordinance No. 6 of 1852, are to send in when she is upright—lighting the gatching. the position of the House, and that there is an the model over, apply it from the fistation entire dwelling intervening between it and any line at the stem, to the imaginary water line House licensed for the sale of apirituous or fer- on the les side. He will find the line excessively hollow, and if he will do the same to is on a wind, the lee lines are much more assurare hollow that the weather lines, and she must | An assurance for any Sum not exceeding

her keel, even should it not be straight, so must she have a tendency to bu influenced by a hollow line on one side and not on the other. This propensity of yaouts to gripe is what makes them dangerous in running in a strong | tatement breere. If they come up to the wind a point. and heef over the bollow lines to leaward. come into play when such craft are vary liable

WHETHER Governor Hobinson has or has not incurred any official responsibility from the manner he has persecuted the Ooth Regiment, we do not pretend to be able to judge. but if we may venture on an opinion, we should rather think he had, provided the case As to the moral responsibility which be

has incurred, we submit there can hardly be

difference of opinion. We are rother sur-

prised that one so wary, and to speak plain English, so selfish, should thave so far committed himself. He ordered the 99th to move out of their comfortable barracks, and go to the Kowloon encampaignt as Commander in Chief. That was perfectly on regie, and we are. advocates of the principle which confers upon lable the Governor de officio, the power thus to net. But Sir Heroules Robinson should know, and for any further information apply to must know, that soldiers are mon; and consequently that though they love their jokes. still they think and feel like other folks. It is true that they are debarred from claiming the rights and privileges of citizenship, vet they are (aught to believed and to the oredit of the service (be it said, they do believe that those who have the control of them cherish their interests at heart; and this convic tion encourages them to brave the plague and the battle field, with all that arder and devotion, for which the British soldier above all others is so justly celebrated,

Governor, Robinson therefore; in assuming the duties of Commander in Chief, of the Hongkong garrison, and in right of that office ordering the 99th to the Kowloon chompment, became the arbiter of the welfare of the troops whom he thus incommoded for municiral purposes, and they naturally must have felt that be would drown all privatoresentment, and become their protector as well as their

Whit then must have been their feelings; when they saw their Commander in! Chies offer \$1.00 reward for the apprehension of the murderer of their commute, William Louisdale; and \$500 reward for the discovery of the Ear squatic sports subside into their usual murderer of the black policeman on Poddar's terpor after the occurrence of a Regatta, we Wherf, who was found drowned without a subject, that it really becomes a manyel to our dozen men of the 99th frightened the black of a boat under canves, by a false keel -or to that a policeman shot William Lonsdale in a Johnston & Co.) all events the Coroner's inquests on the cases We are credibly informed that the owners | were conducted in such a manner as to impress r manugers of the Gipsey, which cruft cap- the public with the belief, that the local gov

out. The capsize can hardly be wondered at, But the matter does not end beren The "Tigre" will leave this on 26th Inst. was not discovered before the day of the race. Discover who frightened the black policemen Not only can we demonstrate the error of into the water was by calling on the executhis prevailing idea, but we can point out a tive of the 99th to state what men had left of gravity be deemed requisite. It is really, were apprehended on a Coroner's warrant, and estonishing how nautreal men of considerable committed by a Magistrate to take their trial experience will cherish this orror, and oven for wilful murder at the next Criminal Sousions. The contrast in the conduct of the exe To illustrate that a false keel will tend to entire of the 99th, and that of the Hongkong

Ohina Mesers, Turnor & Co. les way, because there is nothing to resist barracks on the night of the secident nor aven of premium:

It might be supposed, even allowing that the life of the black policeman, why drawned the folse keet. Therefore the pressure of the appoint that although the 99th might have as which is abundantly clear when it is consider tomach for them all.
